PACKAGE OVERVIEW

Croatia is one of the most beautiful and well-known European countries that truly has something for everyone. Nestled between the Balkans and central Europe, Croatia is a country rich in both history and natural wonders, boasting limestone caves, endless green forests, scenic pebble beaches and an ever growing food and wine culture. The coast of the Adriatic Sea is truly spectacular, dotted with more than 1000 islands that are surrounded by crystalline waters.

Your villa for the week is located in one of the most renowned parts of the country, near the stunning wall city of Dubrovnik, famous for its medieval old town center, the breathtaking coastline and the surrounding charming Mediterranean countryside.

During your stay you will get to experience the local, traditional cuisine with a private chef who will prepare dinner for you one evening in the comfort of your villa. Head to Dubrovnik for the day and enjoy a 3-hour guided tour of the old town, discovering this jewel of a city, with its imposing city walls.

Embark on a 2-hour private sunset boat tour, enjoy a different perspective of the beautiful Dalmatian Coast from the sea while enjoying a glass of wine and good company as the sun goes down.

DUBROVNIK

CROATIA

Known as the Pearl of the Adriatic, Dubrovnik is home to a Unesco World Heritage site and is one of the most prominent tourist resorts of the Mediterranean. This beautiful city offers stunning architecture and boasts spectacular churches, monasteries, museums, fountains and of course a buzzing energy with plenty of bars and restaurants that are full of life.

The city is famous for its magnificent 13th-century city walls and the Old Town, as they are the most well preserved city walls across all of Europe. The beauty of the old town is simply breathtaking and strolling along the limestone-paved streets is truly a one-of-a-kind experience. Its dominating position overlooks the calm, enticing waters of the Adriatic, and the city has historically been a rival of Venice for control of the sea here. Scenes from Star Wars Episode IX were filmed here, and the city is home to Lovrijenac Fortress, made famous as the setting for Kings Landing in the popular Game Of Thrones TV series! With the scenic beauty of this medieval town it is easy to understand why it is often used for films and TV.
